Prices include boarding handle. Platform is a welded, one-piece unit. Mounting to dock system may require additional reinforcement to dock for secure attachment.

NEW PRODUCT Boarding Ramp

This product is designed to create a smooth transition over the space between your dock and the swim platform on your boat. Simply flip back over onto dock when not being used or lift out of bracket to stow out of the way. Features aluminum frame with Sure-Step® anti-slip decking and vinyl strip on the underside where it rests on the swim platform.
