Free Curbside Delivery ★★★★★

* Free Curbside Delivery Terms & Conditions:

Look for the truck for our stock products that qualify for free delivery*!

1. Curbside delivery definition: We will back up as close as we can with our vehicle to your installation site and off-load your product. We cannot carry your product further than the side/rear of our truck/trailer.
2. Free delivery available on The Dock Doctors® Stock Products only. Please see chart to the right for minimum purchase amounts to qualify for free delivery. Free delivery does not apply to rowing or paddle docks.
3. Connect-A-Dock, RGC® Boat Lifts, canopies & accessories – free delivery applies to products in stock only.
4. If you want your product installed, please inquire on rates for this service – free delivery does not apply.
5. Additional fees apply for wide loads (assembled boat lifts) and ferry charges, if needed.
6. Purchases under \$1000 are subject to a \$2 per mile one way charge from Ferrisburgh, VT. A ground shipping method/charge by another source such as Common Carrier or UPS may be more feasible depending on product purchased.

Minimum Purchase Amount (not including sales tax)	Free Delivery from Ferrisburgh, VT (Distance based on Google Maps)	Delivery Charge one-way (over the free mile range)
\$ 1,000	25 miles	\$2 /mile
\$ 2,000	50 miles	\$2 /mile
\$ 4,000	100 miles	\$2 /mile
\$ 6,000	150 miles	\$2 /mile
\$ 8,000	200 miles	\$2 /mile
\$10,000	250 miles	\$2 /mile

6 step	\$ 699	\$ 929	53" - 65"

Please allow additional order time for powder coated stairs.

¹ Accommodates elevation from deck surface to lake bed.

Shallow Water Stairs

shown above with optional powder coated finish (special order)

Lower Access Platform *for swimming & kayaking*

Stationary leg docks are often quite a distance above the waters' surface, making accessing the water for swimming or kayaking very difficult. Our lower access platform is designed to provide you with a safe transition to the water. Add one of our aluminum ladders to gap the distance from your dock to the platform to safely transition to the lower platform.

- Designed to provide lower access for swimming or using your paddle crafts
- Add our aluminum ladder (see page 8) to transition down to the platform
- Overall frame size: 15" wide x 9' 3" long designed to be used alongside any 8-10' long dock with 1 1/2" support pipes
- 5" tall aluminum frame with Sure-Step® flow-thru, anti-slip decking
- Adjustable sleeves that slide over 1 1/2" support pipes

Lower Access Platform: **\$729**

Boarding Handle

Made with marine-grade aluminum, the boarding handle provides a safe handhold when boarding your boat. Mounts available for any **Dock Doctors** dock systems or a universal mount to attach to any dock frame. Height from mount to top of handle is 48".

Boarding Handle: **\$95**

Track Mount: **\$62**

please call for pricing on other mount styles.

Sliding Boarding Step \$889

Bridges the gap from your dock to your boat

Remove the gap to transition safely to/from your boat. Securely attaches to your existing dock. Find out more at: www.thedockdoctors.com/boardingstep

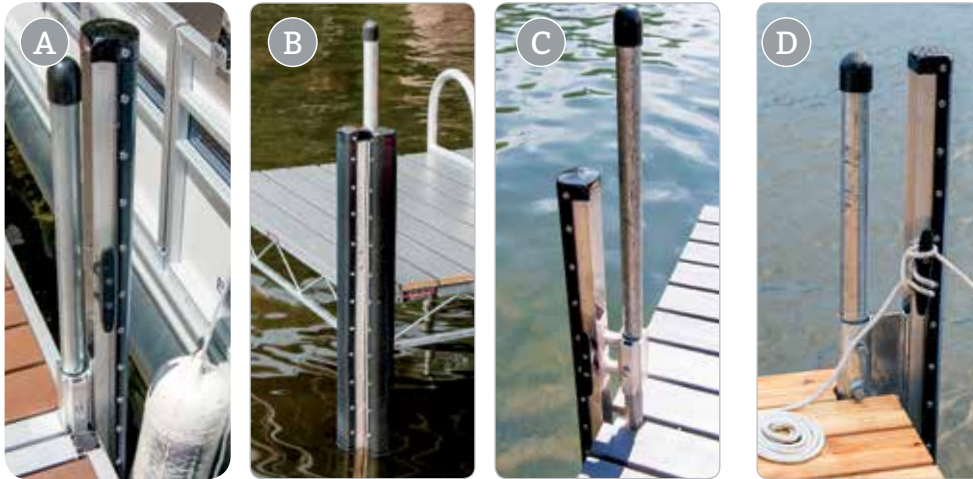

Shipping Available

Protect your boat and dock with our adjustable vertical fenders

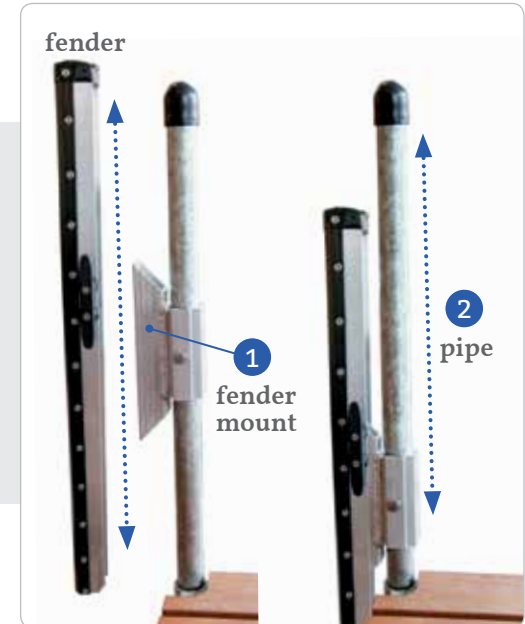

(available for all dock systems)

Our unique vertical fender design is adjustable on the mount which is often necessary due to lake level and boat style. Add a fender cleat kit (see G below right) for a complete securing system for your boat.

Two forms of adjustment:

- 1 Up and down on the mount and
- 2 Up and down on the pipe.

Vertical Fenders

Fender Style	Mounting Style	3' long	4' long
<i>For all Aluminum Leg & Wheel Docks & Steel Truss Leg Docks with 1 1/2" pipe:</i>

<i>For all Aluminum "Track-Frame" Floating Docks:</i>			
E Fender (not shown)	Track Mounted	\$ 152	\$ 174
<i>For all Aluminum "Track-Frame" Floating Docks - includes spud mount:</i>			
F Fender (not shown)	Spud Anchor Mounted	\$ 330	\$ 350

Fender Cleat Kit
2 cleats included per kit

Fender Cleat Kit

Designed to be used with the 3' or 4' fenders listed to the left. Includes (2) cleats per kit that bolt onto the fender mount.

\$ 38.⁹⁵/ kit

A Edge Fender

High quality, non-marring black edge fender. Available for all aluminum “track-frame” floating docks, and custom galvanized steel floating dock systems.

\$ 6.⁹⁵ per foot (material only, not installed, not including fasteners)

\$ 10.²⁵ per foot (installed with stainless steel fasteners*)

*installation available on new dock orders only

Cleats

B Pipe Cleat (for 1 1/2" pipe)

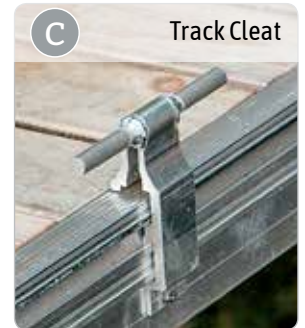

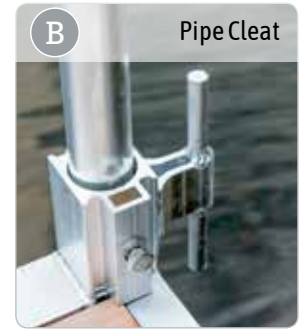

A single cleat mounted to a sleeve that slides over the leg pipe. Available for all leg & wheel docks except the mega leg & wheel docks.

\$ 31.⁹⁹ / each

C Track Cleat

Designed to slide along the track of our floating aluminum track dock systems (see pp 38-40).

\$ 19.⁹⁹ / each

D Taylor Made Mooring Whips

Mooring whips with fixed angle base. Two-piece kit, will need to be epoxied (epoxy included with kit). Recommended for low profile boats such as bass boats, runabouts and sport boats.

MW120: **\$ 545**

MW140: **\$ 619**

(for 18' - 23' boats / 2,500-5,000 lbs.) (for 24' - 28' boats / 5,000-10,000 lbs.)

Disclaimer: Some docking conditions may be too rugged for this product.

E Mooring Whip Dock Mounts (for Dock Doctors docks)

Required for docks with removable decking. **\$ 135** for Taylor Made mooring whip models listed above only

A Post Covers

Post covers camouflage the 1½" leg pipe for a more rustic appearance. Available in either Cedar or Trex® composite material.

Style	Cedar*	Trex®**
Post Cover	\$ 219	\$ 219

Post Cover with 4' bumper & cleats	\$ 376	\$ 376

shown with pyramid style cap with built in light

*Includes stamped copper pyramid style cap. **Includes matching Trex® pyramid or flat top style cap. †Trex® colors available: Black, Gravel Path, Rope Swing, Tree House, Vintage Lantern & Fire Pit.

B Cedar Post Cover Caps

Cast aluminum powder coated finish – available in black (optional other colors available). *Note: post caps listed below are not available for Trex® post covers.*

Style	Black
B1 Pyramid Style Cap	\$ 57
B2 Pyramid Style Cap with built in 110 volt light and ribbed glass	\$ 112
B3 Flat Top Style Cap (not shown) with built in 110 volt light and ribbed glass	\$ 112

shown with (B2) pyramid style cap with light

*Note: Light kits do not include wiring. Both 12 volt & 110 volt are available.

skirt boards

Skirt boards for our galvanized steel truss dock systems provide the aesthetic appearance of a wooden dock.

C Skirt Boards

Used to camouflage the truss frame to give the appearance of a wooden dock system. *Please inquire for further details.*

D Flag Poles

Add beauty to your waterfront property with a telescoping flagpole. These poles have no ropes, chains or pulleys so you do not have to worry about knots and tangles and they are virtually

noise-free. Each section of the pole raises and lowers easily. 16' tall telescoping aluminum flagpole includes a 3" gold aluminum ball ornament, a double flag harness to fly two flags or fly at half mast, a 3' x 5' nylon USA flag with embroidered stars and sewn stripes. Other pole heights available as special order.

Flag Poles

Style	Suggested Retail	Our Price
D1 Silver Finish Flag Pole	\$ 339	\$ 289
D2 Black Finish Flag Pole	\$ 369	\$ 309
Dock Mounts		Price
D3 Deck surface mount		\$ 80
D4 Side mount		\$ 80
D5 Pole mount for docks with 1 ½" leg pipe		\$ 80

Decking Choices

CEDAR

CEDAR is a natural, cost effective decking option that is naturally resistant to decay and insects. Red cedar will weather to a soft, silvery gray. *Cons:* Over time will absorb moisture and weather unless sealed with a preserving stain.

ALUMINUM

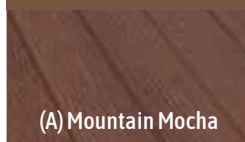

ALUMINUM resists the growth of mold and mildew and won't rust, rot, split or stain. The powder-coated finish eliminates glare from the aluminum. The non-slip, rigid, surface is low-maintenance and cool to the touch. *Cons:* Can sound metallic when walking on it, especially on our docks with removable panels.

SURE-STEP®

SURE-STEP is a slip-resistant, polypropylene surface that allows water and sunlight through to help conserve the underwater ecosystem. Preferred option for dock structures that are situated close to the water so waves will pass through the decking, adding minimal resistance. *(Available on our aluminum docks and swim floats).* *Cons:* Only available in certain dimensions, so may not be a viable option for many applications.

NYLODECK®

(A) Mountain Mocha

(B) Harbor Gray

NYLODECK is environmentally-friendly and made using 100% recycled carpet fiber and contains no wood or PVC. NyloDeck® is the only 1 inch composite deck board rated to span joists at 24 inches on center. It is twice as strong as other leading composite decking materials. Lightweight and easy to work with and is impervious to moisture, mold, mildew and insects. *Cons:* Not a natural wood.

NyloDeck® Sale Details

Please note dock width limitations on color options.

- **Mountain Mocha:** available for dock widths from 4'-8'.
- **Harbor Gray:** available for 4' wide docks only.
- **Mountain Mocha:** only color option for Paddle & Rowing Docks.

*****SALE ONLY APPLICABLE WHILE SUPPLIES LAST*****
Sale only applies to the section prices - does not apply to other options, accessories, delivery or installation.

Other composite decking options available.
Please contact us for details.

IPE

IPE is extremely hard, very durable and naturally resistant to rot and insects. Ipe's strong, resilient properties make it an excellent material choice for marine applications. *Cons:* It is a natural wood, therefore there will be inconsistencies with regard to color, weathering and texture. Due to the density of Ipe, it is heavy and hard to drill and cut, therefore more labor intensive than working with other decking materials.

A Dock Mounted Roller

A single 12" keel roller designed to assist you when moving canoes, kayaks, or other small crafts on or off the dock. **\$ 109**

universal mount
mounts to dock
frame or decking

track frame mount
for aluminum floating
docks shown on p. 38-40

B Single Craft Storage Arms (dock mounted)

A pair of small craft storage arms featuring vinyl hull guards, and end caps with built in tie-down openings. Available in Universal Pipe Mount (fits all docks with 1 1/2" pipe).

\$ 165 STANDARD ALUMINUM

\$ 195 POWDER COATED BLACK

C 2-Craft Storage Rack (dock mounted)

Our dock mounted small-craft storage racks mount to the frame of your dock to store kayaks, canoes, paddle boards, and other small crafts.

\$ 495 STANDARD ALUMINUM

\$ 655 POWDER COATED BLACK

Note: Fits Dock Doctors Steel Truss & Aluminum Track floating dock systems, as well as a Universal Mount for wood dock systems.

Please identify what style of dock this will be mounting to when ordering.

D 6-Craft Freestanding Storage Rack

Marine-grade aluminum frame freestanding storage rack with adjustable height arms. Arms feature vinyl hull guards and end caps with built in tie-down openings. Available in aluminum or powder-coated black finish.

\$ 879 STANDARD ALUMINUM

\$ 1175 POWDER COATED BLACK

See more styles in our Paddle Products catalog or on our website

All our products are proudly made in the USA

E 3-Craft Freestanding Storage Rack

Same features as our 6-craft rack on page 14, in a single-sided design.

\$ 659 STANDARD ALUMINUM

\$ 889 POWDER COATED BLACK

Freestanding Storage Rack: *optional accessories*

F Adjustable Feet

Ideal for uneven ground (includes 2 feet, mounting brackets and hardware).

\$155 STANDARD ALUMINUM

\$182 POWDER COATED BLACK

G Additional Support Arms

Includes 2 arms, mounting brackets and hardware.

\$105 STANDARD ALUMINUM

\$135 POWDER COATED BLACK

H Wall Mounted Storage Rack

Marine-grade aluminum frame *wall-mounted storage rack* with adjustable height arms. Arms feature vinyl hull guards and end caps with built-in tie-down openings. Available in aluminum or powder-coated black finish. Optional additional arms (see G at bottom left).

\$ 489 STANDARD ALUMINUM

\$ 679 POWDER COATED BLACK

Wall-mounted rack mounted vertically with additional arms added for multiple board storage.

Commercial Storage Rack

No Wiring Required

Solar Dock Post Lites

- Fits standard pipes (1 1/2" & 2" ID in size)
- 6" H x 3.5" diameter (UV stabilized polycarbonate)
- (1) Super bright LED (12 Lumens)
- Automatic night activation
- Fully sealed electronic circuit board
- Powerful solar panel
- Lasts 18+ hours on a full charge
- Replaceable 1.2v NiMH battery
- Two (2) post lites in each package

1 3/8" Dock Dots

The smallest solar lights you have ever seen! Easy to install in minutes with a quick 1 3/8" drill bit or hole saw.

Available in: **\$ 55.95**
white/blue/green/amber/red
package of 4

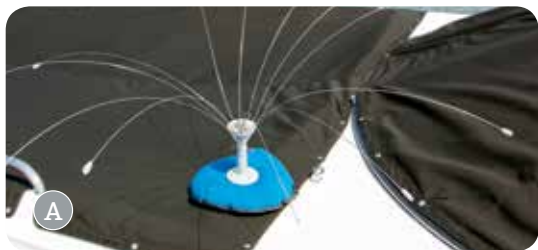

Deck Lights

Industrial strength solar powered dock light made from marine grade anodized aluminum for superior protection in harsh marine environments.

Available with white LEDs only **\$ 34.95** each

Sea Gull Eliminators

A Bird-B-Gone® Bird Spider 360°

The Bird-B-Gone's spider's spinning motion is effective at deterring birds from landing on your boat, swim raft or dock. Stainless steel arms with scuff-preventing polycarbonate tips move with the breeze. Mount permanently (screws included) or use an optional rail, bimini or sandbag mount.

Model #MMBS400SPN (4' diameter) **\$ 49.99**
Model #MMBS800SPN (8' diameter) **\$ 59.99**

B Bird-B-Gone® 360° Repellent

6' diameter, wind driven rotator keeps birds from roosting on your boat, swim raft or dock. Includes standard mounting block (screws included). *Optional rail, bimini or portable sandbag mounts sold separately.*

Model #MMRPL360 **\$47.99**

Rail Mount

For mounting to boat railing 1" to 1.86" in size and other surfaces that will accept a C-clamp.

Model #MMRLMNT **\$22.99**

Sandbag Base

Attaches directly to either style repeller and comes with all the necessary hardware. Has eyelets around outer ring for extra security. *Weights 8 lbs.*

Model #MMBSBB-SB **\$41.99**

Boat Base

Used to secure either style bird repellents to masts, spreaders and other areas. Comes with all the necessary hardware.

Model #MMBSBB2 **\$9.99**

Dock Adjustment & Installation Tools

A Adjustment Kit

Adjust the level of your dock with this kit that slides over the 1 ½" leg pipe. Available for all leg & wheel docks with 1 ½" pipe. Sold as a pair (winch with sleeve and hook).

\$ 255 / pair

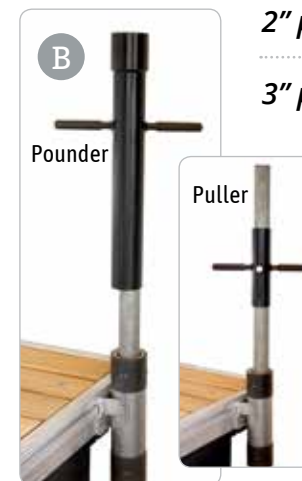

B Spud Puller & Pounder Kit

This (2) piece system aids in the installation and removal of spud pole anchors for our floating dock systems.

2" puller/pounder kit: \$ 259

3" puller/pounder kit: \$ 325

Boat Lift Installation & Removal Tools

Make the seasonal installation and removal of your boat lift easier with a wheel kit and/or air bag lift system.

A Boat Lift Wheel Kits

Specifically designed for use with RGC® boat lifts and can be modified for use with hydraulic boat lifts. Includes a pair of welded galvanized steel mounting brackets and (2) heavy duty polyethylene wheels.

BLW2045 (fits 2,000 - 4,500 lb. lifts): \$ 305 / pair

BLW5060 (fits 5,000 - 6,000 lb. lifts): \$ 320 / pair

B Air Bag Lift Kits

Inflatable 250 and 500 lb. capacity air bags with attachment strap to float your boat lift for seasonal installation and removal. Ideal when used in conjunction with a wheel kit (see photo on left). Includes connecting kit (carabiner and strap).

250 lb. capacity: \$ 245

500 lb. capacity: \$ 365

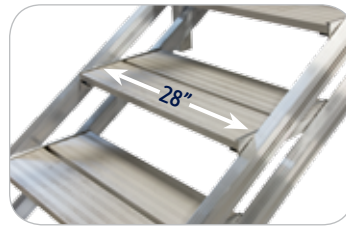

Our lightweight **aluminum portable stairs** are rigid and adjustable, with features designed to accommodate a variety of waterfront applications. Offering a lifetime of virtually maintenance free features, these quality aluminum stairs are an economical solution for waterfront access and ideal for replacing your old wooden steps.

Aluminum Stair Features

- Readily available in lengths up to 18' 9"
- Adjustable rise & run (27 to 44 degrees) to accommodate your site
- Custom fabrication available for specific applications & lengths
- Lightweight & easy to carry for a two-person installation
- Non-skid, 28" wide stair treads
- Marine grade aluminum extrusions with stainless steel fasteners
- Rounded aluminum handrails on both sides
- Optional adjustable footpads for base of stairs
- Includes mounting bracket

(designed for easy seasonal installation & removal of stairs)

Non-skid, 28" wide
stair treads

3' x 4' stair platform

Stair platform for top and/or bottom of stairs.

Aluminum Stairs

All stairs are 28" wide

All stairs can be assembled to fit any distance between the minimum and maximum rise.

Our *medium duty aluminum frame leg and wheel docks* offer superior strength and stability, featuring taller frames and longer and wider sections than our standard duty frames. Easy to install, the support stanchions are built into the frame and flush to the sides of the dock, allowing for an obstruction-free dock edge.

Medium Duty Aluminum Leg & Wheel Docks

- Exceptionally strong, 7" tall aluminum frame
- Support stanchions built into the frame for an obstruction-free dock edge
- Removable cedar, NyloDeck® composite or aluminum decking panels
- Ipe hardwood or other composite decking options available

Medium duty aluminum leg docks with NyloDeck® decking and single craft storage arms (see page 13).

Medium duty aluminum leg docks with NyloDeck® decking.

EASY to install

No sharp edges on underside of frames make our aluminum docks easy on the hands for carrying.

“Very happy with your product and it was easy to assemble, stable and steady, no bounce when you walk on it.” — M.G.

Above Top: Medium duty aluminum docks with cedar decking and 2,000 lb. vertical boat lift.

Inset: Dock sections installed side-by-side to create an “L” shape with optional triangle section for more deck space.

Right: Medium duty aluminum leg docks with cedar decking, aluminum ladder (see page 8) and pipe-mounted flagpole (see page 12).

Medium duty aluminum leg docks with aluminum decking. Accessed by our adjustable aluminum stairs (see pages 18-19).

Medium duty aluminum leg docks with our kayak/canoe roller (see p. 14).

Versatile modular floating dock system by Connect-A-Dock.

Applications ideal for Connect-A-Dock products:

- Rowing / Sculling docks
- Small craft access for canoes & kayaks
- Floating dock slip in calm bodies of water
- Walkway in marsh wetlands

Connect-A-Dock benefits:

- Modular design
- Easy to install
- UV protected
- Environmentally friendly
- Does not contain CCA
- Salt water safe
- 8 year product warranty

Accommodates a variety of uses offering many modular sizes and freeboard heights.

Above: "1000 Series" lower profile system with small boat slip.

Above: "2000 Series" with optional railings on a public fishing pier.

Features:

- Wood grain anti-skid surface
- Ultra tough, polyethylene construction
- 1000 Series provides 8" of freeboard
- 2000 Series provides 17" of freeboard

Above: "2000 Series" L-shaped configuration.

The Dock Doctors are the exclusive distributors of **Connect-A-Dock products** for New England and New York. Please contact us for pricing and details.

Our innovative **Kayak Lift & Launch systems** provide a smooth transition for you and your paddle craft to and from the water. Available with built-in ladder to accommodate seawalls or permanent docks or without the ladder for docks that are only a minimal distance off the water.

▶ Watch a video of the kayak ladder lift at: www.thedockdoctors.com/ladder-lift-launch

Model KLL - 100

- Ladder Lift mounts to seawalls or permanent docks and have a lifting height of 6' (standard model) or 8' (tall model)
- Manual winch to raise and lower the platform (electric winch available for ladder models KLL-100 and KLL-400)
- Units without the ladder option offer 30" of lift height
- All models include boarding handle with built-in paddle hooks
- Sure-Step® UV resistant decking on platform
- Adjustable aluminum & vinyl bunks
- 100 lb. capacity lifts available with or without the ladder
- 400 lb. capacity lift available with ladder only

Left: Sure-Step® decking on platform. Adjustable aluminum & vinyl bunks accommodate all kayaks, canoes & paddle boards (not designed for Jet skis).

Shown Above: Model KLL-100 for crafts up to 100 lbs. Our KLL-400 model (see **B** on page 49) accommodates larger crafts such as the Hobie Mirage® Tandem.

Kayak Ladder Lift & Launch

For sites with fluctuating water

Our Kayak Ladder Lift & Launch has a lifting height of 6' or 8' and mounts to seawalls or permanent docks. Includes manual winch, boarding handle, kayak leash and adjustable aluminum & vinyl bunks.

Boat Lift Installation & Removal Tools

Make the seasonal installation and removal of your boat lift easier with a wheel kit and/or air bag lift system.

A Boat Lift Wheel Kits

Specifically designed for use with RGC® boat lifts and can be modified for use with hydraulic boat lifts. Includes a pair of welded galvanized steel mounting brackets and (2) heavy duty polyethylene wheels.

BLW2045 (fits 2,000 - 4,500 lb. lifts): \$ 305 / pair

BLW5060 (fits 5,000 - 6,000 lb. lifts): \$ 320 / pair

B Air Bag Lift Kits

Inflatable 250 and 500 lb. capacity air bags with attachment strap to float your boat lift for seasonal installation and removal. Ideal when used in conjunction with a wheel kit (see photo on left). Includes connecting kit (carabiner and strap).

250 lb. capacity: \$ 245

500 lb. capacity: \$ 365

- Available from 2,000 to 12,000 lb. capacity
- Stainless steel hardware
- Aluminum hydraulic cylinders
- Full length vinyl bunks
- Solar or AC charging options
- Manufactured in New York State
- 15 year limited warranty

Sliding Boarding Step \$889

Bridges the gap from your dock to your boat

Remove the gap to transition safely to/from your boat. Securely attaches to your existing dock. Find out more at: www.thedockdoctors.com/boardingstep

Queensbury, NY

12,000 lb. capacity Ultimate Lift with oil bath drive upgrade.

Shelburne, VT

12,000 lb. Ultimate vertical boat lift with custom canopy.

See pages 28–29 in our CUSTOM catalog or visit our website for more details on our Custom Boat Lifts.

Boathouse Lifts are custom built to be installed in new or existing boathouses. These lifts are designed to accommodate various boat styles, capacities, and in some cases, aesthetic appearance.

- Freestanding units for boathouses without structural integrity to support your boat
- Bunk style cradle system with pull-out tubes for winter storage
- Sling style for shallow water applications

Occasionally, protecting your boat requires a product that is designed to fit your individual needs. We can design, fabricate, and install custom canopies, boat lifts and much more to accommodate unique situations. Please contact us for a free estimate and conceptual layout.

Above: The Dock Doctors Ultimate Lift (see pages 60–63) customized to attach to the shore with galvanized lift arms which allow it to be raised for winter storage.

Lake Placid, NY

Custom powder coated uprights for use with a standard RGC® canopy.

Installation & Removal Service

Let the Waterfront Specialists do it for you!
We provide service to all areas in the Northeast!

*Living in the Northeast often has the added responsibility of removing and installing your dock system every year. Take the worry and hassle away with **The Dock Doctors® seasonal service plan**, and have the assurance that your system will be taken care of with the utmost quality and safety in mind.*

Our portable workboats from 25'-32' in length allow us to provide installation for our products throughout the Northeast.
