# Free Curbside Delivery

Minimum Purchase Amount (not including sales tax)	Free Delivery from Ferrisburgh, VT (distance based on Google Maps)	Delivery Charge one-way (over the free mile range)
\$ 1,000	25 miles	\$2. <sup>50</sup> / mile
\$ 2,000	50 miles	\$2. <sup>50</sup> / mile
\$ 4,000	100 miles	\$2. <sup>50</sup> / mile
\$ 6,000	150 miles	\$2. <sup>50</sup> / mile
\$ 8,000	200 miles	\$2. <sup>50</sup> / mile**
\$ 10,000	250 miles	\$2. <sup>50</sup> / mile**

## \* Free Curbside Delivery Terms & Conditions:

1. Curbside delivery definition: We will back up as close as we can with our vehicle to your installation site and off-load your product. We cannot carry your product further than the side/rear of our truck/trailer. *Our delivery vehicles cannot go off of approved driveway surfaces (ie on grass, etc.).*
2. Free delivery available on The Dock Doctors® Stock Products only. Please see chart above for minimum purchase amounts to qualify for free delivery. Free delivery does not apply to rowing or paddle docks.
3. Connect-A-Dock, Boat Lifts, canopies & accessories – free delivery applies to products in stock only.
4. If you want your product installed, please inquire on rates for this service – free delivery does not apply.
5. Additional fees apply for wide loads (assembled boat lifts) & ferry charges, if needed.
6. Purchases under \$1000 are subject to a \$2.50 per mile one way charge from Ferrisburgh, VT. A ground shipping method/charge by another source such as Common Carrier or UPS may be more feasible depending on product purchased.
7. \*\*Due to regulations for hourly driving restrictions by the Federal Motor Carrier there may be an additional fee applicable to deliveries 200 miles or over for overnight charges.

Look for the truck for our stock products that qualify for free delivery\*!

Please allow additional order time for powder coated stairs.

<sup>1</sup>Accommodates elevation from deck surface to lake bed.

B

BROWN GREEN BLACK

Optional Powder Coated Finish (brown)

## Lower Access Platform for swimming & kayaking

Stationary leg docks are often quite a distance above the waters' surface, making accessing the water for swimming or kayaking very difficult. Our lower access platform is designed to provide you with a safe transition to the water.

- Designed to provide lower access for swimming or using your paddle crafts
- Add our aluminum ladder (see page 8) to transition down to the platform
- 5" tall aluminum frame with Sure-Step® flow-thru, anti-slip decking
- Overall frame size: 15" wide x 9' 3" long designed to be used alongside any 8-10' long dock with 1 1/2" support pipes
- Adjustable sleeves slide over 1 1/2" support pipes

Lower Access Platform: **\$759**  
add optional ladder (see p. 8)

Dock Ladder  
(optional, see p.8)

Boarding Handle

Track Mount

## Boarding Handle

Made with marine-grade aluminum, the boarding handle provides a safe handhold when boarding your boat. Mounts available for any **Dock Doctors** dock systems or universal mount to attach to any dock frame. Height from mount to top of handle is 48".

Boarding Handle **\$99**

Track Mount (shown) **\$66**

please call for pricing on other mount styles.

**FREE**  
shipping

This product ships free within the continental USA. Visit our website for full details.

## Model KDL-100

## Dock Mounted Kayak Launch

For docks that are a minimal distance off the water, our dock mounted Kayak Launch (model KDL-100) has a lifting height of 30" and can accommodate crafts up to a 38" beam width. See full details in our [Paddle Products Catalog](#) or on our website.

**\$1,799** SHIPS UPS

Ships FREE within the continental USA

### Protect your boat and dock with our adjustable vertical fenders (available for all dock systems)

Our unique vertical fender design is adjustable on the mount which is often necessary due to lake level and boat style. Add a fender cleat kit (see **G** below right) for a complete securing system for your boat.

**Our Vertical Fenders offer two forms of adjustment:**

- 1** Up and down on the mount

— and —

- 2** Up and down on the pipe

#### Vertical Fenders

Fender Style	Mounting Style	3' long	4' long
<i>For all Aluminum Leg &amp; Wheel Docks &amp; Steel Truss Leg Docks with 1 ½" pipe:</i>			
<b>A</b> Fender	1 ½" pipe mount	\$ 146	\$ 166
<b>B</b> Double Corner Fender	1 ½" pipe mount	\$ 260	\$ 310
<i>For all Steel Truss Wheel Docks with 1 ½" pipe:</i>			
<b>C</b> Fender with offset	1 ½" pipe mount	\$ 156	\$ 176
<i>For all Mega Leg Docks with 3" pipe or Custom Articulating Docks with 2" pipe:</i>			
<b>D</b> Fender	2" or 3" pipe mount	\$ 180	\$ 200
<i>For all Aluminum "Track-Frame" Floating Docks:</i>			
<b>E</b> Fender	Track Mounted	\$ 159	\$ 179
<i>For all Aluminum "Track-Frame" Floating Docks - includes spud mount:</i>			
<b>F</b> Fender	Spud Anchor Mounted	\$ 345	\$ 365

#### Fender Cleat Kit

Designed to be used with the 3' or 4' fenders listed to the left. Includes (2) cleats per kit that bolt onto the fender mount.

**\$ 40 per kit (2 cleats)**

### A Edge Fender

High quality, non-marring black edge fender. Available for all aluminum “track-frame” floating docks, and custom galvanized steel floating dock systems.

**\$ 7.<sup>50</sup> per foot** (material only, not installed, not including fasteners)

**\$ 10.<sup>75</sup> per foot** (installed with stainless steel fasteners\*)

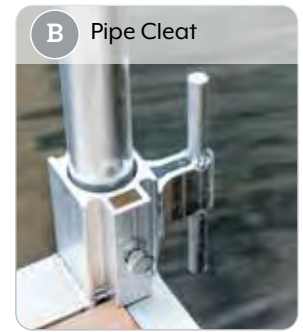

\*installation available on new dock orders only

## Cleats

### B Pipe Cleat (for 1 ½" pipe)

A single cleat mounted to a sleeve that slides over the leg pipe. Available for all leg & wheel docks except the mega leg & wheel docks.

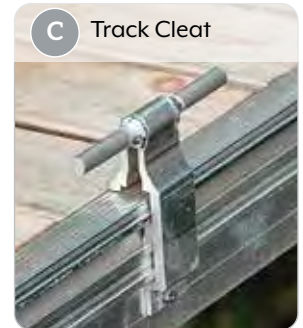

**\$ 34 each**

### C Track Cleat

Designed to slide along the track of our floating aluminum track dock systems.

**\$ 22 each**

### D Taylor Made Mooring Whips

Mooring whips with fixed angle base. Two-piece kit, will need to be epoxied (epoxy included with kit). Recommended for low profile boats such as bass boats, runabouts and sport boats.

MW120: **\$ 575**

MW140: **\$ 675**

(for 18' – 23' boats / 2,500–5,000 lbs.) (for 24' – 28' boats / 5,000–10,000 lbs.)

*Disclaimer: Some docking conditions may be too rugged for this product.*

### E Mooring Whip Dock Mounts (for Dock Doctors docks)

Required for docks with removable decking.

**\$ 145**

for Taylor Made mooring whip models listed above only

Truss frame mount

Track frame mount

shown with (B1) pyramid style cap

shown with (B2) pyramid style cap with light

\*Note: Light kits do not include wiring. Both 12 volt & 110 volt are available.

Skirt boards for our galvanized steel truss dock systems provide the aesthetic appearance of a wooden dock.

## C Skirt Boards

Used to camouflage the truss frame to give the appearance of a wooden dock system. Please inquire for further details.

## D Flag Poles

Add beauty to your waterfront property with a telescoping flagpole. These poles have no ropes, chains or pulleys so you do not have to worry about knots and tangles and they are virtually noise-free. Each

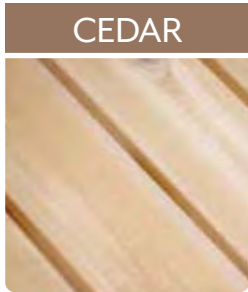

section of the pole raises and lowers easily. 16' tall telescoping aluminum flagpole includes a 3" gold aluminum ball ornament, a double flag harness to fly two flags or fly at half mast, a 3' x 5' nylon USA flag with embroidered stars and sewn stripes. Other pole heights available as special order.

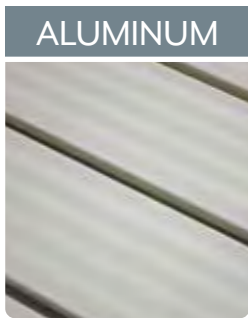

## Flag Poles

Style	Suggested Retail	Our Price
D1 Silver Finish Flag Pole	\$ 339	\$ 296
D2 Black Finish Flag Pole	\$ 369	\$ 316
Dock Mounts		Price
D3 Deck surface mount		\$ 80
D4 Side mount		\$ 80
D5 Pole mount for docks with 1 ½" leg pipe		\$ 80

# Accessories & Options

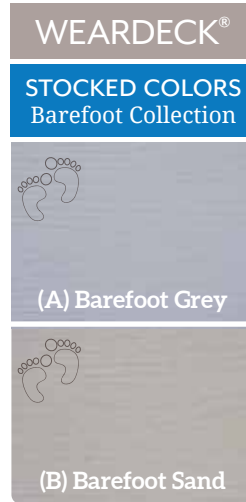

**CEDAR** is a natural, cost effective decking option that is naturally resistant to decay and insects. Red cedar will weather to a soft, silvery gray. *Cons:* Over time will absorb moisture and weather unless sealed with a preserving stain.

**ALUMINUM** resists the growth of mold and mildew and won't rust, rot, split or stain. The powder-coated finish eliminates glare from the aluminum. The non-slip, rigid, surface is low-maintenance and cool to the touch. *Cons:* Can sound metallic when walking on it, especially on our docks with removable panels.

**SURE-STEP** is a slip-resistant, polypropylene surface that allows water and sunlight through to help conserve the underwater ecosystem. Preferred option for dock structures that are situated close to the water so waves will pass through the decking, adding minimal resistance. *(Available on our aluminum docks and swim floats).* *Cons:* Only available in certain dimensions, so may not be a viable option for many applications.

**WEARDECK** is a high density polyethylene resin with UV inhibitors. Weardeck's 5/4" thick deck board is rated to span joists 24" on center with the highest live load capacity in the industry. Rated for ground and underwater contact and will not support mold or mildew growth. This product is 100% manufactured in Ocala, FL and offers a 25 year commercial and a lifetime residential warranty. *Cons:* Not a natural wood.

*\*please inquire for pricing and lead times.*

**IPE** is extremely hard, very durable and naturally resistant to rot and insects. Ipe's strong, resilient properties make it an excellent material choice for marine applications. *Cons:* It is a natural wood, therefore there will be inconsistencies with regard to color, weathering and texture. Due to the density of Ipe, it is heavy and hard to drill and cut, therefore more labor intensive than working with other decking materials.

## Barefoot Collection

"Lighter Colors, Cooler Touch"

### Heat-Reflective Technology

- Reflects the sun's hot rays off the surface of the board
- Reduces surface temperature by at least 30% on each color

## A Dock Mounted Roller

A single 12" keel roller designed to assist you when moving canoes, kayaks, or other small crafts on or off the dock. **\$ 114**

universal mount  
mounts to dock  
frame or decking

track frame mount  
for aluminum floating  
docks shown on p. 38-40

## B Single Craft Storage Arms (dock mounted)

A pair of small craft storage arms featuring vinyl hull guards, and end caps with built in tie-down openings. Available in Universal Pipe Mount (fits all docks with 1 1/2" pipe).

**\$ 172** STANDARD ALUMINUM

**\$ 199** POWDER COATED BLACK

## C 2-Craft Storage Rack (dock mounted)

Our dock mounted storage racks mount to the frame of your dock to store kayaks, canoes, paddle boards, and other small crafts.

**\$ 515** STANDARD ALUMINUM

**\$ 679** POWDER COATED BLACK

*Note: Fits Dock Doctors Steel Truss & Aluminum Track floating dock systems, as well as a Universal Mount for wood dock systems.*

*Please identify what style of dock this will be mounting to when ordering.*

## D 6-Craft Freestanding Storage Rack

Marine-grade aluminum frame freestanding storage rack with adjustable height arms. Arms feature vinyl hull guards and end caps with built in tie-down openings. Available in aluminum or powder-coated black finish.

**\$ 915** STANDARD ALUMINUM

**\$ 1,219** POWDER COATED BLACK

## Solar Dock Post Lites

- Fits standard pipes (1 1/2" & 2" ID in size)
- 6" H x 3.5" diameter (UV stabilized polycarbonate)
- (1) Super bright LED (12 Lumens)
- Automatic night activation
- Fully sealed electronic circuit board
- Powerful solar panel
- Lasts 18+ hours on a full charge
- Replaceable 1.2v NiMH battery
- Two (2) post lites in each package

**\$ 55.95**  
package of 2

## 1 3/8" Dock Dots

The smallest solar lights you have ever seen! Easy to install in minutes with a quick 1 3/8" drill bit or hole saw.

Available with white LEDs only

**\$ 55.95**  
package of 4

## Deck Lights

Industrial strength solar powered dock light made from marine grade anodized aluminum for superior protection in harsh marine environments.

Available with white LEDs only

**\$ 34.95**  
each

## Sea Gull Eliminators

### Bird Spider 360°

The Bird-B-Gone's spider's spinning motion is effective at deterring birds from landing on your boat, swim raft or dock. Stainless steel arms with scuff-preventing polycarbonate tips move with the breeze. Mount permanently (screws included) or use an optional rail, bimini or sandbag mount.

Model #MMBS400SPN (4' diameter) **\$ 49.99**

Model #MMBS800SPN (8' diameter) **\$ 59.99**

### 360° Repellent

6' diameter, wind driven rotator keeps birds from roosting on your boat, swim raft or dock. Includes standard mounting block (screws included). Optional rail, bimini or portable sandbag mounts sold separately.

Model #MMRPL360 **\$ 49.99**

### Sandbag Base

Attaches directly to either style repeller and comes with all the necessary hardware. Has eyelets around outer ring for extra security. Weighs 8 lbs.

Model #MMBSBB-SB **\$ 41.99**

### Rail Mount

For mounting to boat railing 1" to 1.86" in size and other surfaces that will accept a C-clamp.

Model #MMRLMNT **\$ 22.99**

### Boat Base

Used to secure either style bird repellents to masts, spreaders and other areas. Comes with all the necessary hardware.

Model #MMBSBB2 **\$ 9.99**

## Adjustment Kit

Adjust the level of your dock with this kit that slides over the 1 ½" leg pipe. Available for all leg & wheel docks with 1 ½" pipe. Sold as a pair (winch with sleeve and hook).

**\$ 265** / pair

## Spud Puller & Pounder Kit

This (2) piece system aids in the installation and removal of spud pole anchors for our floating dock systems.

**2" puller/pounder kit: \$ 269**

**3" puller/pounder kit: \$ 339**

## Boat Lift Installation & Removal Tools

Make the seasonal installation and removal of your boat lift easier with a wheel kit and/or air bag lift system.

### A Boat Lift Wheel Kits

Specifically designed for use with RGC® boat lifts and can be modified for use with hydraulic boat lifts. Includes a pair of welded galvanized steel mounting brackets and (2) heavy duty polyethylene wheels.

BLW2045 (fits 2,000 - 4,500 lb. lifts): **\$ 321 / pair**

BLW5060 (fits 5,000 - 6,000 lb. lifts): **\$ 335 / pair**

### B Air Bag Lift Kits

Inflatable 250 and 500 lb. capacity air bags with attachment strap to float your boat lift for seasonal installation and removal. Ideal when used in conjunction with a wheel kit (see photo on left). Includes connecting kit (carabiner and strap).

**250 lb. capacity: \$ 280**

**500 lb. capacity: \$ 405**

Our lightweight **aluminum portable stairs** are rigid and adjustable, with features designed to accommodate a variety of waterfront applications. Offering a lifetime of virtually maintenance free features, these quality aluminum stairs are an economical solution for waterfront access and ideal for replacing your old wooden steps.

3' x 4' stair platforms incorporated into a long run of stairs.

## Aluminum Stair Features

- Readily available in lengths up to 18'
- Adjustable rise & run (27 to 44 degrees) to accommodate your site
- Custom fabrication available for specific applications & lengths
- Non-skid, 28" wide stair treads
- Marine grade aluminum extrusions with stainless steel fasteners
- Lightweight & easy to carry for a two-person installation
- Rounded aluminum handrails on both sides
- Optional adjustable footpads for base of stairs
- Includes mounting bracket (*designed for easy seasonal installation & removal of stairs*)

# Aluminum Stairs

All stairs are 28" wide

All stairs can be assembled to fit any distance between the minimum and maximum rise.

*Pre-assembled:* Factory assembled and adjusted to desired rise (note: additional assembly charge will apply).

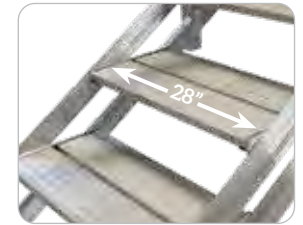

\*Prices do not include shipping/delivery – please call for pricing.

mounting bracket

rounded aluminum handrail

non-skid, 28" wide stair treads

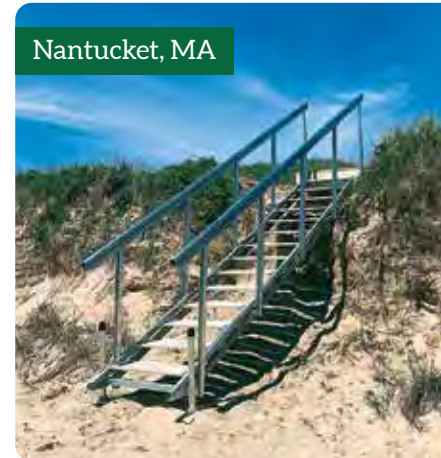

(optional)

**Adjustable Footpad**

**\$198 / pair**

Requires drilling stair on-site to mount.

## Leg & Wheel Docks

## Standard Duty Aluminum

Designed for smaller lakes and bays, our standard duty aluminum frame leg and wheel docks feature an exceptionally strong aluminum frame. Strong yet lightweight, these docks can be installed by one person.

Hinesburg, VT

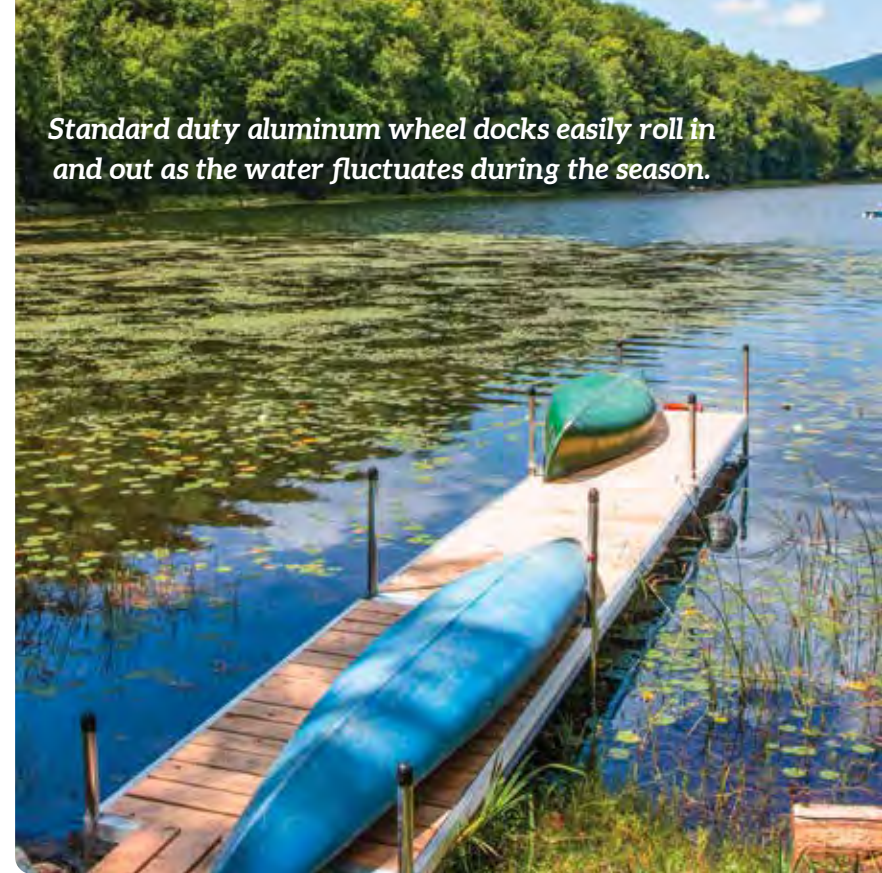

## Standard Duty Aluminum Leg & Wheel Docks

- Exceptionally strong aluminum frame
- Support stanchions built into the frame for an obstruction-free dock edge
- Removable decking in cedar, composite – or attached Sure-Step® decking
- Ipe hardwood decking option also available

West Danville, VT

Standard duty aluminum leg dock with cedar decking and our shallow water stairs (see page 8).

Standard duty aluminum wheel docks easily roll in and out as the water fluctuates during the season.

### EASY one person install

Our innovative connector clips and lightweight sections allow for one person to easily connect sections together and install the dock system.

Salisbury, VT

*Standard duty aluminum leg dock with composite decking, shallow water stairs (see page 8) and 4,500 lb. Vertical Boat Lift.*

Tupper Lake, NY

▶ Watch a video and find out more at: [thedockdoctors.com/launch-port](http://thedockdoctors.com/launch-port)

*Standard duty aluminum leg dock with Sure-Step decking, 2-craft storage rack (see page 14) and our freestanding launch port system.*

Dock pricing includes frame and removable decking. Wheel dock pricing includes (1) pair of wheels and axle assembly. The necessary assembly components are sold separately.

\*Weights for docks do not include the decking with the exception of docks with Sure-Step® decking, which attaches directly to the dock frame and is not removable.

## Leg & Wheel Docks

## Medium Duty Aluminum

Our medium duty aluminum frame leg and wheel docks offer superior strength and stability, featuring taller frames and longer and wider sections than our standard duty frames. Easy to install, the support stanchions are built into the frame and flush to the sides of the dock, allowing for an obstruction-free dock edge.

see page 3 for details

Caspian Lake,  
Greensboro, VT

*6' x 10' sections side-by-side with composite decking and our aluminum stairs (see pages 18-19) for waterfront access.*

## Medium Duty Aluminum Leg & Wheel Docks

- Exceptionally strong, 7" tall aluminum frame
- Support stanchions built into the frame, for an obstruction-free dock edge
- Removable decking panels in cedar, composite or aluminum
- Ipe hardwood decking option also available

**EASY to install**

No sharp edges on underside of frames make our aluminum docks easy on the hands for carrying.

West Glover, VT

## Boat Lift Installation & Removal Tools

Make the seasonal installation and removal of your boat lift easier with a wheel kit and/or air bag lift system.

### A Boat Lift Wheel Kits

Specifically designed for use with RGC® boat lifts and can be modified for use with hydraulic boat lifts. Includes a pair of welded galvanized steel mounting brackets and (2) heavy duty polyethylene wheels.

BLW2045 (fits 2,000 - 4,500 lb. lifts): **\$ 321** / pair

BLW5060 (fits 5,000 - 6,000 lb. lifts): **\$ 335** / pair

### B Air Bag Lift Kits

Inflatable 250 and 500 lb. capacity air bags with attachment strap to float your boat lift for seasonal installation and removal. Ideal when used in conjunction with a wheel kit (see photo on left). Includes connecting kit (carabiner and strap).

250 lb. capacity: **\$ 280**

500 lb. capacity: **\$ 405**

- Available from 2,000 to 12,000 lb. capacity
- Stainless steel hardware
- Aluminum hydraulic cylinders
- Full length vinyl bunks
- Pontoon & Tritoon kits available
- Solar or AC charging options
- Manufactured by RGC
- 15 year limited warranty

see page 3 for details
