*** Free Curbside Delivery Terms & Conditions:** 1. Curbside delivery definition: We will back up as close as we can with our vehicle to your installation site and off-load your product. We cannot carry your product further than the side/rear of our truck/trailer. Our delivery vehicles cannot go off of approved driveway surfaces (ie on grass, etc.). 2. Free delivery available on The Dock Doctors® Stock Products only. Please see chart above for minimum purchase amounts to qualify for free delivery. Free delivery does not apply to Rowing or Paddle Docks or Ultimate Boat Lifts. 3. Boat Lifts, canopies & accessories – free delivery applies to products in stock only. 4. If you want your product installed, please inquire on rates for this service – free delivery does not apply. 5. Additional fees apply for wide loads (assembled boat lifts) & ferry charges, if needed. 6. Purchases under \$2,000 are subject to a \$4.00 per mile one way charge from Ferrisburgh, VT. A ground shipping method/charge by another source such as Common Carrier or UPS may be more feasible depending on product purchased. 7. † Due to regulations for hourly driving restrictions by the Federal Motor Carrier there may be an additional fee applicable to deliveries 200 miles or over for overnight charges. 8. Large loads may require assistance on site to off-load. **** Pickup & Save Conditions:** 1. Applies to pickup at our Ferrisburgh, Vermont warehouse, arranged by the customer. 2. Available on The Dock Doctors® Stock Products only. Please see chart above right for minimum purchase amounts to qualify for pickup and save. Does not apply to Rowing or Paddle Docks or Ultimate Boat Lifts. 3. Boat Lifts, canopies & accessories – pickup and save applies to products in stock only.

Options & Accessories : Decking Choices

Choosing the decking for your new dock system is an important choice, and there are many factors to consider, including maintenance, longevity, color, cost and personal style-preferences.

NATURAL CEDAR

Cedar is a natural decking option that is naturally resistant to decay and insects. We use STK Western Red Cedar (Select Tight Knot Grade or Number 2). It is generally regarded as a high-quality choice for cedar, and any knots present are sound encased and tight. The wood is generally straight-grained and has a uniform, but rather coarse texture.

CONS: Over time, cedar will absorb moisture and weather to a soft silvery gray unless sealed with a preserving stain.

ALUMINUM

Aluminum resists the growth of mold and mildew and won't rust, rot, split or stain. This painted then baked beige finish eliminates glare from the aluminum. The non-slip, rigid, surface is low-maintenance and cool to the touch. Color is Sherman Williams Beige.

CONS: Can sound metallic when walking on it, especially on our docks with removable panels.

SURE-STEP

Sure-Step is a slip-resistant, polypropylene surface that allows water and sunlight through to help conserve the underwater ecosystem. Preferred option for dock structures that are situated close to the water so waves will pass through the decking, adding minimal resistance. Color: Grey.

CONS: Only available in certain dimensions, so may not be a viable option for many applications.

Sure-Step is only available on our Standard Duty Aluminum Leg & Wheel Docks

WEARDECK™

WearDeck™ is a high density polyethylene resin with UV inhibitors. It is rated for ground and underwater contact and will not support mold or mildew growth. WearDeck's 5/4" thick deck board is rated to span joists 24" on center with the highest live load capacity in the industry. Made in the USA and offers a limited lifetime residential warranty and 25 year commercial warranty. Stocked in 3 colors, with special order colors available. CONS: Not a natural wood. **Barefoot Collection**  The colors of the Barefoot Collection (A) Barefoot Grey and (B) Barefoot Sand reflect the sun's rays off the surface of the board and reduce surface temperature by at least 30%.

STOCKED COLORS

(A) BAREFOOT GRAY

(B) BAREFOOT SAND

(C) WEATHERWOOD

SPECIAL ORDER COLORS please inquire for pricing and lead times

(D) WHITE

(E) CEDAR

(F) SADDLE

(G) GRAY

(H) SAND

IPE HARDWOOD

Ipe is extremely hard, very durable and naturally resistant to rot and insects. Ipe's strong, resilient properties make it an excellent material choice for marine applications. Please inquire for pricing and lead times.

CONS: Due to the density of Ipe, it is heavy and hard to drill and cut, therefore more labor intensive than working with other decking materials. It is also a natural wood, therefore there will be inconsistencies with regard to color, weathering and texture.

All our products are
proudly made in the USA

Options & Accessories : Vertical Fenders, Cleats

Protect your boat and dock with our adjustable vertical fenders (available for all dock systems). Our quality vertical fender material provides adequate cushion for protection — but is firm and slick enough to allow the boat gunnel to slide up and down without friction that could cause damage to seasonal docks.

Shipping Available

Our unique vertical fender design provides a double adjustment both on the fender mount and on the dock support pipe (see details on photo below) — which is often necessary due to lake level and boat style. Add a fender cleat kit (see **G** on p. 11) for a complete securing system for your boat.

up and down on the fender mount

up and down on the pipe
2

4' Vertical Fender with **A** 1-1/2" pipe mount and **G** fender cleat kit

Options & Accessories : Vertical Fenders, Cleats

Fender Style	Mounting Style	3' long	4' long
For all Aluminum Leg & Wheel Docks & Steel Truss Leg Docks with 1-1/2" pipe:			
A Fender	1-1/2" pipe mount	\$192	\$212
B Double Corner Fender	1-1/2" pipe mount	\$350	\$405
For all Steel Truss Wheel Docks with 1-1/2" pipe:			
C Fender with offset	1-1/2" pipe mount	\$200	\$220
For all Mega Leg Docks with 3" pipe or Custom Articulating Docks with 2" pipe:			
D Fender	2" or 3" pipe mount	\$240	\$260
For all Aluminum "Track-Frame" Floating Docks:			
E Fender	Track Mounted	\$215	\$235
For all Aluminum "Track-Frame" Floating Docks - includes spud mount:			
F Fender	Spud Anchor Mounted	\$ 455	\$ 475

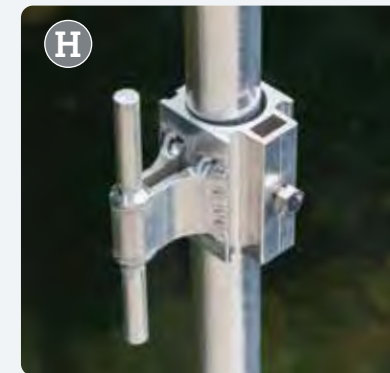

G Fender Cleat Kit

Designed to be used with the 3' or 4' fenders shown on page 10. Includes (2) cleats per kit that bolt onto the fender mount.

\$49 per kit

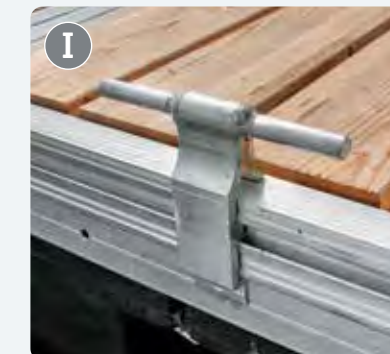

includes 2 cleats and hardware to attach to vertical fender

H Pipe Cleat *(for 1-1/2" pipe)*

A single cleat welded to a sleeve that slides over the leg pipe. Available for all leg & wheel docks except the mega leg & wheel docks.

\$45 each

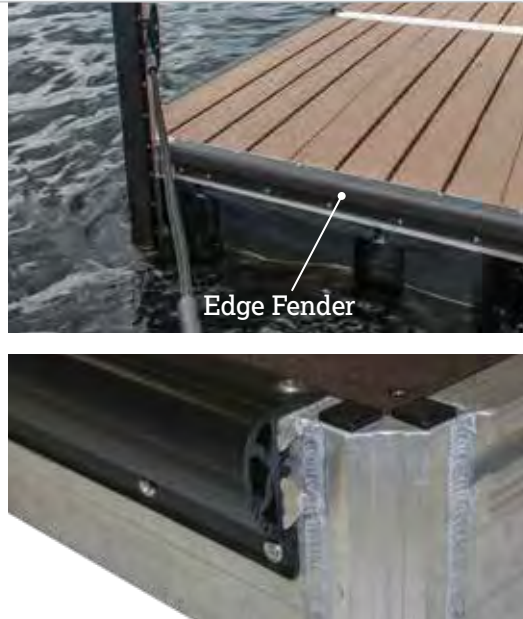

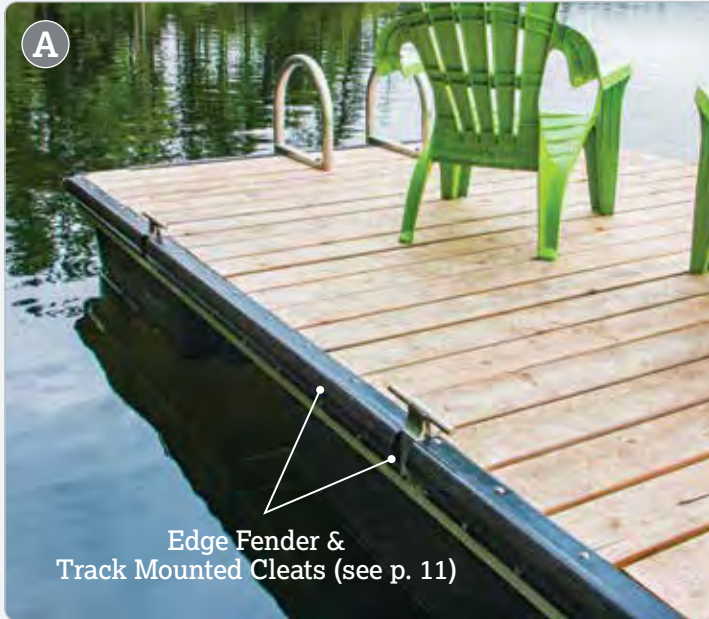

I Track Cleat

Designed to slide along the track of our floating aluminum track dock systems.

\$30 each

Options & Accessories : Edge Fender, Mooring Whips

A Edge Fender

An alternative to our vertical fenders, this high quality, non-marring black edge fender can be installed on our Aluminum Leg and Wheel Docks (standard and medium duty), our Aluminum Floating Docks and our Custom Steel Truss Floating Docks.

\$9.95 per foot

(material only, not installed, not including fasteners)

\$14.00 per foot

(installed with stainless steel fasteners*)

NOTE: *installation available on new dock orders only

B Taylor Made Mooring Whips

Mooring whips with fixed angle base. Two-piece kit, will need to be epoxied (epoxy included with kit). Recommended for low profile boats such as bass boats, runabouts and sport boats.

MW120: \$715 for 18' – 23' boats / 2,500–5,000 lbs.

MW140: \$815 for 24' – 28' boats / 5,000–10,000 lbs.

Disclaimer: Some docking conditions may be too rugged for this product.

C Mooring Whip Dock Mounts (for Dock Doctors docks)

Required for docks with removable decking. **\$205**
(for Taylor Made mooring whip models listed above only)

Heavy Duty
and Mega Dock
Truss Frame
Mount

Aluminum
Track Frame
Mount

Dock Mounted Storage (kayak, canoe, paddleboard)

Marine-grade aluminum small craft storage. Arms feature vinyl hull guards and end caps with built-in tie-down openings. Crafts can be secured with a cable and lock (not included).

A Storage Arms (pair) (single craft, dock mounted)

A pair of storage arms which slide onto the leg pipes of your dock. Arms are 35" in length. Note: Fits all docks with 1-1/2" pipe*. **\$220**

*Designed for 1-1/2" SCH #40 pipe or any pipe that measures 1-15/16" O.D. (outside diameter)

B Storage Rack (2-craft, dock mounted)

Our 2-craft storage rack mounts to the frame of your dock and stores two crafts and paddles/oars. Top arm is 35", bottom arm is 18" (wider crafts can be stored at an angle). *Mounts available for all models of Dock Doctors docks, as well as a universal mount for wooden docks.* **\$680**

See our full line of Paddle Craft Products on pages 54-67

Options & Accessories : Boat & Paddle Craft Access

Lower Access Platform : for swimming & kayaking

Stationary leg docks are often quite a distance above the waters' surface, making accessing the water for swimming or kayaking very difficult. Our lower access platform is designed to provide you with a safe transition to the water. Designed to be used alongside any 8–10' long dock with 1-1/2" support pipes (including non-Dock Doctors docks). If the distance is too far to step from your dock to the platform, add one of our aluminum dock ladders to safely transition to the lower platform.

Lower Access Platform: \$975
optional ladder (see p. 19)

- 5" tall aluminum frame
- Sure-Step® flow-thru, anti-slip decking
- Designed to be used alongside any 8'–10' long dock with 1-1/2" support pipes
- Adjustable sleeves slide over 1-1/2" support pipes

Options & Accessories : Boat & Paddle Craft Access

Dock mounted roller and our lower access platform (shown on page 14)

Dock Mounted Roller

A single 12" keel roller designed to assist you when moving canoes, kayaks, or other small crafts on or off your dock. Universal mount can be mounted to the dock frame or dock decking. Track frame mount fits our Medium Duty Aluminum Floating Docks (pages 46-51). **\$145**

- A1** Universal Surface Mount
- A2** Track Frame Mount for Dock Doctors Aluminum Floating Docks

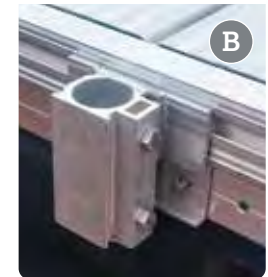

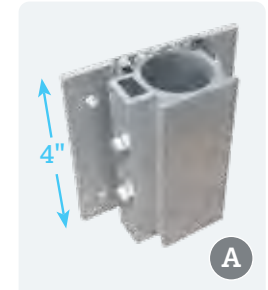

Boarding Handle

Our marine-grade aluminum boarding handle provides a safe handhold when boarding your boat. Mounts to Dock Doctors floating aluminum track dock systems or universal mount to attach to any dock frame. Height from mount to top of handle is 48".

Boarding Handle: \$135
(mount sold separately)

- A** Universal Mount: **\$90**
- B** Track Mount: **\$90**

Track mount for Dock Doctors Aluminum Floating Docks shown on pages 48 - 55.

Sliding Boarding Step

Great for people and pets!

Our sliding boarding step easily slides and retracts so you can safely board your boat from your dock. Securely attaches to your existing dock. Includes a safety handrail that can mount to either side of platform. **\$1,155**

Visit our website for full details and specifications.

Options & Accessories : Solar Lights & Decorative Options

Solar Lighting options for your dock!
No Wiring Required and easy hassle free mounting.

Available with white LEDs only

Solar Dock Post Lites

Super bright LED (12 lumens) last 18+ hours on a full charge. Automatic night activation. Fits standard 1-1/2" and 2" pipes.

\$56.95
package of 2

- Fully sealed electronic circuit board
- Replaceable 1.2v NiMh battery
- Two (2) post lites in each package

Available with white LEDs only

1-3/8" Dock Dots

The smallest solar lights you have ever seen! Easy to install in minutes with a 1-3/8" drill bit or hole saw.

\$56.95
package of 4

Available with white LEDs only

Deck Lights

Industrial strength solar powered dock light. Marine grade anodized aluminum offers superior protection in harsh marine environments.

\$37.95
each

Solar Dock Post Lites last 18+ hours on a full charge.

Decorative Options for your dock

Wooden skirt-boards and cedar post covers are used to camouflage the steel truss frame and leg pipe, providing the appearance of a wooden dock system. Please inquire for pricing and details.

Options & Accessories : Flag Poles & Bird Deterrents

16' Aluminum Telescoping Flagpoles

Add beauty to your waterfront property with a telescoping flagpole. Each section of the pole raises and lowers easily, and with no ropes, chains or pulleys they are virtually noise-free. Includes a 3" gold aluminum ball ornament, a double flag harness to fly two flags or fly at half mast, a 3' x 5' nylon USA flag with embroidered stars and sewn stripes. Other pole heights available as special order.

Flagpoles: Silver Finish **\$369** Black Finish **\$399**

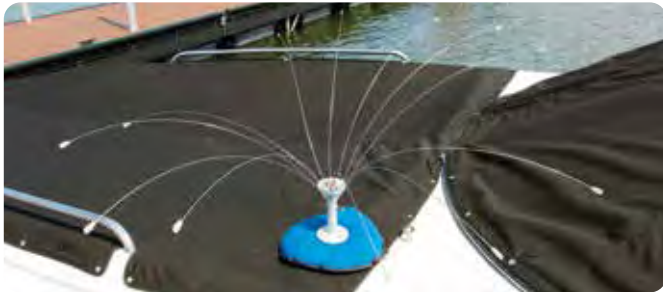

Flagpole Dock Mounts:

A Deck Surface Mount: **\$149** **B** Side Mount: **\$129** **C** Pole Mount*: **\$129**

*Pole mount for docks with 1-1/2" leg pipe

BIRD•B•GONE™ Sea Gull Eliminators

Bird Spider 360°

The spider's spinning motion is effective at deterring birds from landing on your boat, swim raft or dock. Stainless steel arms with scuff-preventing polycarbonate tips move with the breeze. Permanent glue-on base or use optional sandbag mount. **6' Diameter Spider \$44.99**

Sandbag Base

Attaches directly to either style repeller (hardware included). Eyelets around outer ring for extra security. Weighs 8 lbs.

Sandbag Base \$44.99

16' Aluminum Telescoping Flagpole shown here with black finish and pole mount

Options & Accessories : Dock Adjustment Tools & Boatlift Install/Removal Tools

Adjustment Kit

Adjust the level of your dock with this kit that slides over the 1-1/2" leg pipe. Available for all leg & wheel docks with 1-1/2" pipe. Sold as a pair (winch with sleeve and hook). **\$339 / pair**

Mega Dock Adjustment Kit

Adjust the level of your dock with this kit that slides over the 3" leg pipe. **\$589 / pair**

Spud Puller & Pounder Kit

This (2) piece system aids in the installation and removal of spud pole anchors for our floating dock systems.

2" puller/pounder kit: **\$345**

3" puller/pounder kit: **\$435**

Boat Lift Installation & Removal Tools

Make the seasonal installation and removal of your boat lift easier with a wheel kit and/or air bag lift system.

Boat Lift Wheel Kits

Specifically designed for use with RGC® boat lifts. Includes a pair of welded galvanized steel mounting brackets and a pair of heavy duty polyethylene wheels (*BLW5075 kit comes with 4 wheels).

BLW2045 (fits 2,000 – 4,500 lb. lifts): **\$430 / pair**

BLW5060 (fits 5,000 – 6,000 lb. lifts): **\$445 / pair**

BLW5075* (fits 5,000 – 8,000 lb. lifts): **\$610 / pair**

Air Bag Lift Kits / Boat lift Tubes

Inflatable 250 and 500 lb. capacity air bags designed to float your boat lift for seasonal installation and removal. Ideal when used in conjunction with a wheel kit (see photo on left).

A Enclosed Pillow Lift Bag:

250 lb. capacity: **\$360**

500 lb. capacity: **\$560**

B Boat Lift Tube:

500 lb. capacity: **\$685**

Each kit includes (1) lift bag or (1) tube with a connecting kit (carabiner and strap). Airbag inflates with air compressor with a standard 1/4" NPT air fitting (not included).

Options & Accessories : Ladders & Steps

Dock Ladders

(available for all dock systems)

One-piece, removable vertical ladder with 1-1/2" tubular aluminum frame and arched, slip resistant 4" treads for added comfort with bare feet. Treads are 17.5" wide.

Stock Size	Price
3' ladder	\$305
4' ladder	\$325
5' ladder	\$345

length is measured from the top of the dock down

Also suitable for accessing the shoreline from your dock.

Shallow Water Stairs

(available for all leg & wheel docks)

One-piece welded aluminum structure with aluminum handrails down each side and non-slip treads with adjustable footpads. 19.50" wide treads, 28.25" between rails, 8" risers.

Stair Size	Elevation	Price
4 step	37" — 49"	\$795
5 step	45" — 57"	\$845
6 step	53" — 65"	\$895

Waterfront Access : Aluminum Stairs

Our lightweight aluminum stair kits are designed for a variety of applications. Offering a lifetime of virtually maintenance free features, these quality aluminum stairs are an economical solution for waterfront or hillside access and ideal solution to replacing your old wooden steps. Not recommended for in-water use.

Aluminum Stair Features

- Readily available in lengths up to 18 feet
- Non-skid, 28" wide aluminum stair treads
- Rounded aluminum handrails on both sides
- Adjustable rise & run (27 to 44 degrees) to accommodate your site
- Marine grade aluminum extrusions with stainless steel fasteners (not recommended for in water use)
- Lightweight & easy to carry for a two-person installation
- Custom fabrication available for specific applications & lengths (see custom catalog or our website)
- Optional adjustable footpads for base of stairs
- Includes mounting bracket (designed for easy seasonal installation & removal of stairs)

A woman with blonde hair, wearing a blue and white plaid shirt and tan shorts, is walking down a set of aluminum stairs. The stairs are attached to a wooden dock. The background shows lush green trees and a body of water.

6-step aluminum stairs and 3' x 4' stair platform as a transition to our Medium Duty Aluminum Leg Docks

How to measure for stairs

A few simple measurements can help determine the recommended length of stairs for your particular site. For tips on how to measure, visit our website at:

www.thedockdoctors.com/stair-kits

Assembly Options:

Unassembled: Requiring assembly on site to contour to desired rise (note: some drilling is required).

Pre-assembled: Factory assembled and adjusted to desired rise (note: additional assembly charge will apply).

mounting bracket

rounded aluminum handrail

non-skid, 28" wide aluminum stair treads

(optional)

Adjustable Footpad

\$265 / pair

Requires drilling stair on-site to mount.

*Price includes mounting bracket (fasteners to existing platform not included); handrails down each side and slip resistant stair treads. Stair uprights remain vertical in any rise. Optional top and/or bottom stair platform in 3' x 4' standard duty aluminum. Optional pair of Adjustable Footpads includes brackets to mount to bottom of stairs, 1-1/2" aluminum support pipes 24" long, black safety caps & aluminum footpads. Requires stair frame drilling on-site to mount

Prices do not include shipping/delivery. To calculate shipping to your location, please visit: www.thedockdoctors.com/stair-kits

Leg & Wheel Docks : Standard Duty Aluminum Frames

Designed for smaller lakes and bays, our standard duty aluminum frame leg and wheel docks feature an exceptionally strong aluminum frame. Strong yet lightweight, these docks can be installed by one person.

Standard duty aluminum leg docks with cedar decking and 4,500 lb. vertical boat lift.

Standard Duty Aluminum Leg & Wheel Docks

- Exceptionally strong aluminum frame
- Easy one-person install
- Support stanchions built into the frame for an obstruction-free dock edge
- Removable decking in Cedar, WearDeck™ or attached Sure-Step® decking
- Ipe hardwood decking option also available

see details on page 3

WearDeck™ decking in Weatherwood and our 6-step aluminum stairs (see pages 20-23).

EASY one person install

Our innovative connector clips and lightweight sections allow for one person to easily connect sections together and install the dock system.

Leg & Wheel Docks : Standard Duty Aluminum Frames

Standard Duty Aluminum leg docks with cedar decking, then our Medium Duty Aluminum dock in 6 foot width serves as a shoreside platform.

Standard duty aluminum wheel docks easily roll in and out as the water fluctuates during the season or for seasonal installation and removal.

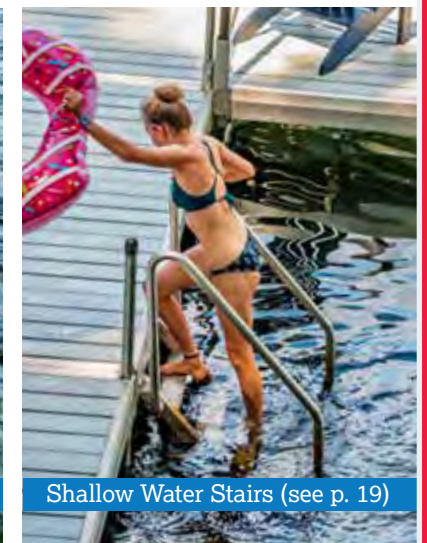

Kayak Roller (see p. 15)

Storage Racks (see p. 13)

Aluminum Ladders (see p. 19)

Shallow Water Stairs (see p. 19)

Leg & Wheel Docks : Standard Duty Aluminum Frames

Our 4' x 10' standard duty aluminum leg docks with cedar decking are used as a walkway across a marshy area to access the Battenkill River. The end section (4'3" x 8'5") features Sure-Step flow through decking.

Below: Standard duty aluminum docks with cedar decking and our freestanding launch port system (see page 60 for more details).

Size based on distance between support pipe.

Leg & Wheel Docks : Medium Duty Aluminum Frames

Our medium duty aluminum frame leg and wheel docks offer superior strength and stability. With a 7" tall frame, these docks come in longer and wider sections than our standard duty frames, yet are still lightweight and easy to install. The support stanchions are built into the frame and flush to the sides of the dock for an obstruction-free dock edge.

Averill, VT

Medium Duty Aluminum Leg & Wheel Docks

- Exceptionally strong, 7" tall aluminum frame
- Support stanchions built into the frame, for an obstruction-free dock edge
- Removable decking panels in Cedar, WearDeck™ or Aluminum
- Ipe hardwood decking option also available

Leg & Wheel Docks : Heavy Duty Galvanized Steel Truss Frames

Designed for exposed sites and rough water conditions, our heavy duty steel truss leg and wheel docks are incomparable for strength and durability. The heavy duty truss frame allows water to pass through the frame in heavy wind and wave locations.

Heavy Duty Steel Truss Leg & Wheel Docks

- Designed for exposed sites
- Heavy duty 9" galvanized steel truss frame with adjustable leg stanchions built into the frame
- Available in 4 foot and 6 foot widths
- Removable decking in Cedar or WearDeck™
- Ipe hardwood decking option also available

see details on page 3

Shipping Weight	155 lbs	257 lbs
Price (unassembled)	\$ 2,500	\$ 3,320
Price (assembled)	\$ 2,700	\$ 3,620

1200 lb. vertical lift (see p. 70)

Boat Lifts : Boat Access & Seasonal Service Tools

Boarding Handle

Our marine-grade aluminum boarding handle provides a safe handhold when boarding your boat. Height from mount to top of handle is 48". See full details on page 15 or on our website.

Boarding Handle: \$135

Mount: \$90

(sold separately)

Sliding Boarding Step

Great for people and pets!

Our sliding boarding step easily slides and retracts so you can safely board your boat from your dock. Securely attaches to your existing dock. Includes a safety handrail that can mount to either side of platform.

Sliding Boarding Step: \$1,155

Boat Lift Installation & Removal Tools

Make the seasonal installation and removal of your boat lift easier with a wheel kit and/or air bag lift system.

A Boat Lift Wheel Kits

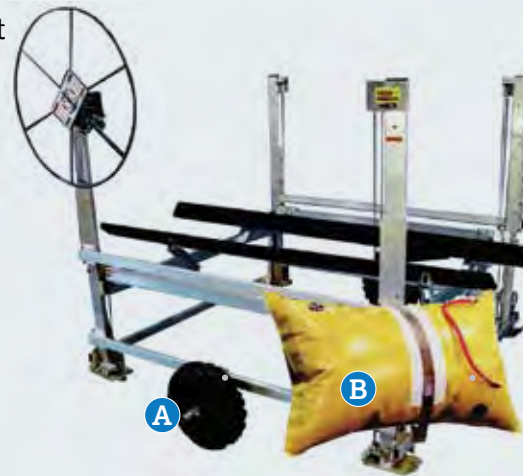

Specifically designed for use with RGC® boat lifts.

BLW2045 (fits 2,000 – 4,500 lb. lifts): **\$430 pair**

BLW5060 (fits 5,000 – 6,000 lb. lifts): **\$445 pair**

BLW5075 (fits 5,000 – 8,000 lb. lifts): **\$610 pair**

Wheel kits include a pair of welded galvanized steel mounting brackets and a pair of heavy duty polyethylene wheels. BL5075 kit comes with (4) wheels.

Air Bag Lift Kits / Boat Lift Tubes

Designed to float your boat lift for seasonal installation and removal. Ideal when used in conjunction with a wheel kit (*see photo on left*).

B Enclosed Pillow Lift Bag:

250 lb. capacity: **\$360**

500 lb. capacity: **\$560**

C Boat Lift Tube:

500 lb. capacity: **\$685**

Each kit includes (1) lift bag or (1) tube with a connecting kit (carabiner and strap). Airbag inflates with air compressor with a standard 1/4" NPT air fitting (not included).

Boat Lifts : Vertical Cable Lifts

Vertical boat lifts for any size and style boat:

- All stainless steel hardware & cables
- High lifting range
- Minimal water required
- Manufactured by RGC®
- 15 year limited warranty
- Delivery & installation available
