

Floating Docks : Medium Duty Aluminum Frames

Our medium duty aluminum floating docks feature our “aluminum track” frame, allowing for easy mounting of hardware and accessories. These pre-manufactured “stock” docks are readily available for pick up, delivery or installation and are designed to be easily installed for the do-it-yourselfer.

Saranac Lake, NY

Medium Duty Aluminum Floating Docks

- Exclusively designed frame by The Dock Doctors®
- Track-style 5" tall aluminum frame allows for easy mounting of hardware & accessories
- Removable decking panels in Cedar, Aluminum or WearDeck™
- Ipe hardwood decking also available
- Black polyethylene flotation filled with expanded polystyrene

see details on page 3

Our unique float frame and hinge-system allow for a seamless transition from gangway/ramp to dock (no step down) & adjusts to fluctuating water levels.

Vermontville, NY

Floating Docks : Medium Duty Aluminum Frames

Lake Champlain, Shoreham, VT

Above: This dock system features a fixed to floating combination of dock styles for use on bodies of water that have fluctuating water levels. The transition piece (shown left) allows for horizontal movement while the floating dock can float up and down on the anchoring.

Wheel mounts

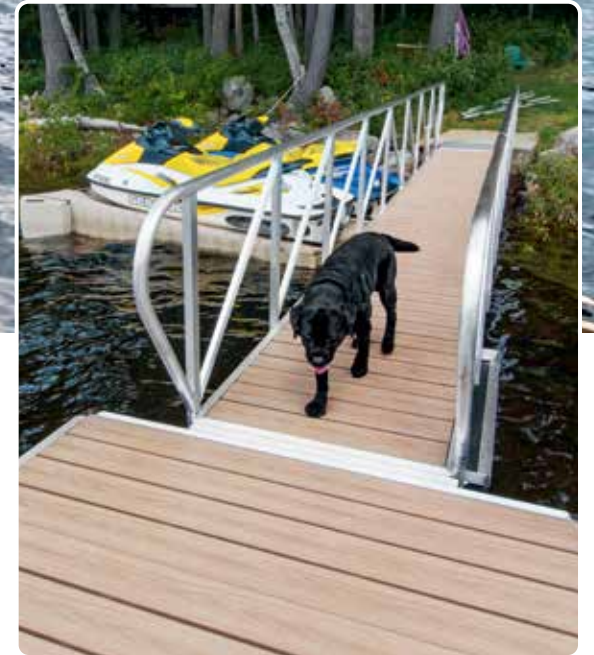

Medium Duty aluminum floating dock with WearDeck™ decking in Weatherwood. Includes custom aluminum handrail and wheel mounts for ease of seasonal installation and removal.

Schroon Lake, NY

Medium Duty aluminum floating docks with WearDeck™ decking in Weatherwood. 3' x 24' aluminum gangway (shown right) with aluminum treadplate for a seamless transition from shore to dock.
