¹ Accommodates elevation from deck surface to lake bed.
Lower Access Platform for swimming & kayaking

Stationary leg docks are often quite a distance above the waters’ surface, making accessing the water for swimming or kayaking very difficult. Our lower access platform is designed to provide you with a safe transition to the water.

- Designed to provide lower access for swimming or using your paddle crafts
- Add our aluminum ladder (see page 8) to transition down to the platform
- 5” tall aluminum frame with Sure-Step® flow-thru, anti-slip decking
- Overall frame size: 15” wide × 9’ 3” long designed to be used alongside any 8-10’ long dock with 1 ½” support pipes
- Adjustable sleeves slide over 1 ½” support pipes

Lower Access Platform: $745
add optional ladder (see p. 8)

Dock Mounted Kayak Launch

For docks that are a minimal distance off the water, our dock mounted Kayak Launch (model KDL-100) has a lifting height of 30” and can accommodate crafts up to a 38” beam width. See full details in our Paddle Products Catalog or on our website.

$1,799 SHIPS UPS

Boarding Handle

Made with marine-grade aluminum, the boarding handle provides a safe handhold when boarding your boat. Monts available for any Dock Doctors dock systems or universal mount to attach to any dock frame. Height from mount to top of handle is 48”.

Boarding Handle $98
Track Mount (shown) $64

Dock Ladder (optional, see p.8)

Dock Options & Accessories

Protect your boat and dock with our adjustable vertical fenders *(available for all dock systems)*

Our unique vertical fender design is adjustable on the mount which is often necessary due to lake level and boat style. Add a fender cleat kit (see *G* below right) for a complete securing system for your boat.

**Vertical Fenders**

**Fender Cleat Kit**

Designed to be used with the 3’ or 4’ fenders listed to the left. Includes (2) cleats per kit that bolt onto the fender mount.

$40 per kit (2 cleats)
A **Edge Fender**
High quality, non-marring black edge fender. Available for all aluminum “track-frame” floating docks, and custom galvanized steel floating dock systems.

$ 7.25 per foot (material only, not installed, not including fasteners)
$ 10.50 per foot (installed with stainless steel fasteners*)

*installation available on new dock orders only

B **Pipe Cleat** *(for 1 ½” pipe)*
A single cleat mounted to a sleeve that slides over the leg pipe. Available for all leg & wheel docks except the mega leg & wheel docks.

$ 33 each

C **Track Cleat**
Designed to slide along the track of our floating aluminum track dock systems.

$ 21 each

D **Taylor Made Mooring Whips**
Mooring whips with fixed angle base. Two-piece kit, will need to be epoxied *(epoxy included with kit)*. Recommended for low profile boats such as bass boats, runabouts and sport boats.

MW120: $ 550  
MW140: $ 625  
*(for 18’ – 23’ boats / 2,500–5,000 lbs.)  *(for 24’ – 28’ boats / 5,000–10,000 lbs.)*

Disclaimer: Some docking conditions may be too rugged for this product.

E **Mooring Whip Dock Mounts** *(for Dock Doctors docks)*
Required for docks with removable decking.  $ 139

*for Taylor Made mooring whip models listed above only*
Dock Options & Accessories

*Note: Light kits do not include wiring. Both 12 volt & 110 volt are available.

C Skirt Boards
Used to camouflage the truss frame to give the appearance of a wooden dock system. Please inquire for further details.

Skirt boards for our galvanized steel truss dock systems provide the aesthetic appearance of a wooden dock.

D Flag Poles
Add beauty to your waterfront property with a telescoping flagpole. These poles have no ropes, chains or pulleys so you do not have to worry about knots and tangles and they are virtually noise-free. Each section of the pole raises and lowers easily. 16' tall telescoping aluminum flagpole includes a 3" gold aluminum ball ornament, a double flag harness to fly two flags or fly at half mast, a 3’ x 5’ nylon USA flag with embroidered stars and sewn stripes. Other pole heights available as special order.

</tbody>
</table>
CEDAR is a natural, cost effective decking option that is naturally resistant to decay and insects. Red cedar will weather to a soft, silvery gray. Cons: Over time will absorb moisture and weather unless sealed with a preserving stain.

ALUMINUM resists the growth of mold and mildew and won’t rust, rot, split or stain. The powder-coated finish eliminates glare from the aluminum. The non-slip, rigid, surface is low-maintenance and cool to the touch. Cons: Can sound metallic when walking on it, especially on our docks with removable panels.

SURE-STEP is a slip-resistant, polypropylene surface that allows water and sunlight through to help conserve the underwater ecosystem. Preferred option for dock structures that are situated close to the water so waves will pass through the decking, adding minimal resistance. (Available on our aluminum docks and swim floats). Cons: Only available in certain dimensions, so may not be a viable option for many applications.

WEARDECK is a high density polyethylene resin with UV inhibitors. Weardeck's 5/4” thick deck board is rated to span joists 24” on center with the highest live load capacity in the industry. Rated for ground and underwater contact and will not support mold or mildew growth. This product is 100% manufactured in Ocala, FL and offers a 25 year commercial and a lifetime residential warranty. Cons: Not a natural wood.

Barefoot Collection
"Lighter Colors, Cooler Touch"

Heat-Reflective Technology
- Reflects the sun’s hot rays off the surface of the board
- Reduces surface temperature by at least 30% on each color

*IPE is extremely hard, very durable and naturally resistant to rot and insects. Ipe's strong, resilient properties make it an excellent material choice for marine applications. Cons: It is a natural wood, therefore there will be inconsistencies with regard to color, weathering and texture. Due to the density of Ipe, it is heavy and hard to drill and cut, therefore more labor intensive than working with other decking materials.
Dock Options & Accessories

A Dock Mounted Roller
A single 12” keel roller designed to assist you when moving canoes, kayaks, or other small crafts on or off the dock. $ 112

B Single Craft Storage Arms
(dock mounted)
A pair of small craft storage arms featuring vinyl hull guards, and end caps with built in tie-down openings. Available in Universal Pipe Mount (fits all docks with 1 ½” pipe).

$ 169 STANDARD ALUMINUM
$ 199 POWDER COATED BLACK

C 2-Craft Storage Rack
(dock mounted)
Our dock mounted small-craft storage racks mount to the frame of your dock to store kayaks, canoes, paddle boards, and other small crafts.

$ 506 STANDARD ALUMINUM
$ 669 POWDER COATED BLACK

Note: Fits Dock Doctors Steel Truss & Aluminum Track floating dock systems, as well as a Universal Mount for wood dock systems.

Please identify what style of dock this will be mounting to when ordering.

D 6-Craft Freestanding Storage Rack
Marine-grade aluminum frame freestanding storage rack with adjustable height arms. Arms feature vinyl hull guards and end caps with built in tie-down openings. Available in aluminum or powder-coated black finish.

$ 899 $ 1199
STANDARD ALUMINUM POWDER COATED BLACK

Solar Dock Post Lites

- Fits standard pipes (1 ½” & 2” ID in size)
- 6” H x 3.5” diameter (UV stabilized polycarbonate)
- 1 Super bright LED (12 Lumens)
- Automatic night activation
- Fully sealed electronic circuit board
- Powerful solar panel
- Lasts 18+ hours on a full charge
- Replaceable 1.2v NiMh battery
- Two (2) post lites in each package

$55.95
package of 2

1 ⅜” Dock Dots
The smallest solar lights you have ever seen! Easy to install in minutes with a quick 1 ⅜” drill bit or hole saw.
Available with white LEDs only
$55.95
package of 4

Deck Lights
Industrial strength solar powered dock light made from marine grade anodized aluminum for superior protection in harsh marine environments.
Available with white LEDs only
$34.95
each

Sandbag Base
Attaches directly to either style repeller and comes with all the necessary hardware. Has eyelets around outer ring for extra security. Weighs 8 lbs.
Model #MMBSBB-SB
$41.99

Rail Mount
For mounting to boat railing 1”to 1.86” in size and other surfaces that will accept a C-clamp.
Model #MMRLMNT
$22.99
sale price

Bird-B-Gone® Bird Spider 360°
The Bird-B-Gone’s spider’s spinning motion is effective at deterring birds from landing on your boat, swim raft or dock. Stainless steel arms with scuff-preventing polycarbonate tips move with the breeze. Mount permanently (screws included) or use an optional rail, bimini or sandbag mount.
Model #MMBS400SPN (4’ diameter) $49.99
Model #MMBS800SPN (8’ diameter) $59.99

Bird-B-Gone® 360° Repellent
6’ diameter, wind driven rotator keeps birds from roosting on your boat, swim raft or dock. Includes standard mounting block (screws included). Optional rail, bimini or portable sandbag mounts sold separately.
Model #MMRPL360 $49.99

Model #MMBSBB2
$9.99
sale price
**Adjustment Kit**
Adjust the level of your dock with this kit that slides over the 1 ½” leg pipe. Available for all leg & wheel docks with 1 ½” pipe. Sold as a pair (winch with sleeve and hook).

$260 / pair

**Spud Puller & Pounder Kit**
This (2) piece system aids in the installation and removal of spud pole anchors for our floating dock systems.

2” puller/pounder kit: $265
3” puller/pounder kit: $333

---

**Boat Lift Installation & Removal Tools**
Make the seasonal installation and removal of your boat lift easier with a wheel kit and/or air bag lift system.

**A Boat Lift Wheel Kits**
Specifically designed for use with RGC® boat lifts and can be modified for use with hydraulic boat lifts. Includes a pair of welded galvanized steel mounting brackets and (2) heavy duty polyethylene wheels.

BLW2045 (fits 2,000 - 4,500 lb. lifts): $315 / pair
BLW5060 (fits 5,000 - 6,000 lb. lifts): $329 / pair

**B Air Bag Lift Kits**
Inflatable 250 and 500 lb. capacity air bags with attachment strap to float your boat lift for seasonal installation and removal. Ideal when used in conjunction with a wheel kit (see photo on left). Includes connecting kit (carabiner and strap).

250 lb. capacity: $260
500 lb. capacity: $380
