2019 Catalog
We can customize any of our storage racks to suit your needs.

- Lightweight aluminum frame storage racks
- Store multiple canoes, kayaks, paddle boards and other small crafts
- Adjustable height arms with vinyl hull guards (additional arms available for custom configurations)
- Custom end caps with built-in tie down openings (tie-downs sold separately)
- Stainless steel hardware
- Standard aluminum or optional black powder coated finish

Marine-grade vinyl hull guards & custom end caps with built-in tie down openings.

Support arms easily adjust along the main frame. Stainless eye-bolts for securing tie-downs on inside of craft.
